Experienced Remote site Medical Doctor

Highly experienced and dedicated medical doctor with a professional background spanning 10 years. Over the past three years, I have focused my expertise on Offshore Rig, Ship, Barge Accommodation, and Semi-Submersible Vessel Rig operations in the oil and gas industry. With a specialization in Occupational Health and Emergency Medical Service, I bring a comprehensive understanding of healthcare requirements and safety protocols in challenging offshore environments. My unwavering commitment to excellence and extensive experience make me a valuable asset in ensuring the health and well-being of personnel in the offshore industry.
