D. ACHIEVEMENTS

1) **The following are the 2019 Achievements obtained during my tenure as Group Chief Executive Officer of Malaysia Airports Holdings Berhad:**

a) **Financial**

- Exceeded RM5.0 billion revenue for the first time in 2019
- Highest cash and money market investment position to date of RM3.2 billion
- Highest return to shareholders (under the transportation and logistics sector) over three years at The Edge Billion Ringgit Club 2019
- Achieved 2nd highest profit before taxation of RM659m in 2019 (Highest was RM780m in 2018 during my tenure as Chief Financial Officer/Acting Group Chief Executive Officer)

b) **Operational**

- Exceeded the 100 Million passenger mark for the first time ever in Malaysia
- KL International Airport (KUL) also surpassed the 60 million passenger mark
- KUL ASQ score achieved 4.76 out of 5.00 (2018: 4.70)
- Istanbul Sabiha Gokcen Airport named 'Large Airport of the Year 2019' by Centre for Aviation (CAPA)
- Airport Host for Airports Council International (ACI) Asia Pacific for Small & Emerging Airports Seminar in Langkawi on Oct 2018.

c) **Governance and CSR**

- Received the ISO 37001:2016 Anti-Bribery Management System certification for the Group's Procurement processes
- Malaysia Airports provides the Musolla at KLIA to meet the needs of the KLIA and klia2 airport community as well as passengers for Friday prayers.
- Malaysia Airports provides two concrete bridges for the school community of Sekolah Kebangsaan Bario to access into and out of the school as the previous wooden bridges were in deplorable conditions and posed as a safety hazard to the students and the rest of the school community.

d) **Speaker in Airports Council International (ACI) Finance and Economic Forum in London (March 2019)**

2) **The following are the latest Achievements (2020-current) obtained as Chief Operating Officer of Malaysian Aviation Commission:**

- Conducted stakeholder consultations for MACPC 3.0 (Malaysian Aviation Consumer Protection Code Version 3.0) and Aeronautical Service Charges (ASC) review
- Conducted an International Webinar on Consumer Protection in June 2022.
- Panel speaker at the Airline 1-on-1 program organized by the Malaysian Aviation Group.
- Speaker in Transport Conference 2023 in Kuching, Sarawak (September 2023)
- Speaker in Global Airport Development (GAD) World Conference in Barcelona, Spain (November 2023)
