

Samarinda 01 July 2023

Dear Sir /Madam,
Human Resources Department

Base on the information,

I'm a Vocational High School degree, from Heavy Equipment Mechanic Program Study of SMKN. 1 Balikpapan - East Borneo - Indonesia, Graduate at 2002.

My last work as **Work Place Trainer / Plant Trainer** in Heavy Equipment Plant Department - PT. Berkat Anugerah Sejahtera (Mining Contractor Company). At Kutai Energi Site, East Kalimantan.

A self motivated and a hard working person with experience in all aspects of personnel behavior. Able to use own initiative and work as part of a team. Proven leadership skills, including managing and motivating other staff in achieving company objectives, able to work in cross cultural communities both national and expatriates. An effective communicator at all levels within an organization, good problem solving, and strong analytical and conceptual skills.

=> With 08 years experience in Caterpillar dealer (PT Trakindo Utama) as mechanic ; Familiar for Routine maintenance (PM), Troubleshooting - testing / adjusting and repair various machine on the remote area (field) and shop, small & large component recondition include old Caterpillar product & new Caterpillar product that applicated for:
