

## PROFILE

Experience > 15 years in oil & gas industry both offshore and onshore facilities. Familiar with production operation at platform, drilling at jack up rig and any projects at accommodation work barge or marine vessels. Good understanding in HSSE Management System for occupational & process safety by risk prevention (e.g risk evaluation, risk control & monitoring) and risk mitigation.

Successfully executed critical works at offshore like simops between drilling rig VS Production, shut down platform for project TAR till back online, confine space & hot work, start up new wells with Petroleum engineer. Perform as emergency response team, e.g rescue man over board due to sinking ship, oil spill combat recovery, fire fighting, process upset power blackout and evacuation personal due to illness and incident. Authorized trainer for Safe System of Work One SIKAP Pertamina SHU.

## EXPERIENCES

### Onshore PT. Pertamina EP - Balongan, Indramayu, Indonesia

HSSE Engineer (July 2024 - present)

MOS Balongan, OGT Field Regional 2 Zona 7.

- Arrange planning, scheduling, compile data MWT finding & monitor follow up action.
- Analyze observation card for unsafe action & unsafe condition, identify propose for corrective action.
- Participate workshop hazops, hazid with process engineer & consultant process hazard analysis.
- Review document for contractor bridging, HSE plan, SOP, CSMS, SIMOPS, risk assessment, PTW etc.
- Report P2K3 as compliance the company to regulations & conduct meetings with government.
- Follow-up the investigations and monitor the recommendations closeout.

### Onshore PT. Pertamina EP - Balongan, Indramayu, Indonesia

Coordinator Safety & ERCM\_Emergency Response Crisis Management (April - July 2024)

MOS Balongan, OGT Field Regional 2 Zona 7.

- Led 10 fireman to inspect, maintain equipment and all fire protection system in the workplace.
- Organize, coordinate and compile input data input from safety patrol & analyze recommendation.
- Created scenario & conduct emergency drill to ensure the readiness of emergency response team.
- Support others departemen during execute critical job like gas test for hot work, confine space etc.

### Offshore PT. Pertamina (PHE ONWJ) - Jakarta, Indonesia

HSSE Risk Assessment Team Leader | Area Authority | Platform Supervisor (Oct 2021 – Mar 2024)

Jack Up Rig Petro Vietnam Drilling-II & Rig Zhao Shang Hailong-6 COSL

- Direct 5 team member to develop HSSE risk assessment for reduce risk with ALARP.
- Supervise OIM, Barge Capt, Scaff. Supv, Wellhead Engineer for PTW implementation.
- Coach the team (5–20 people) for ERP (emergency response plan) preparedness & perform drill.
- Responsible to keep workplaces (11 flows station, 118 platform) in safe condition, result 0 incident.

### Offshore PT. PHE ONWJ - PBAS - Jakarta, Indonesia

Permit to Work Coordinator (Jan 2019 - Sep 2021)

- Led safety induction to all crew who just visit offshore in the first time or last visit in 12 months.
- Led safety meeting every morning at 06.00 also weekly safety meeting in front of 60 employees.
- Checked, registered and recorded PTW, mapping job on the board 10 – 15 permits issued every day.
- Compiled data safe manhours, audit PTW, HSSE input, STOP card in the ended of dayshift.

### Offshore PT. PHE ONWJ - Inconis - Jakarta, Indonesia

Emergency Response Team (Fire fighter, Oil Spill Combat and Medic Team) (Jan 2017 - Jan 2019)

- Inspected fire extinguisher (dry chemical, foam, CO<sup>2</sup> snuffing, fire blanket, hose reel, fire monitor).
- Tested run and checked condition oil spill response equipment, hydraulic power pack, skimmer, oil containment boom, OSD oil spill dispersant stock, IBC tank.
- Performed as forward commander in ERT (Emergency Response Team) & PURT Process Upset Response Team, always standby ready to activated 24 hours per day in case of emergency.

### Offshore (ex BP) PT. PHE ONWJ – Oryx & Supraco - Jakarta, Indonesia

Authorized Gas Tester & Process Safety Isolation Authority (Nov 2009 - Jan 2017)

- Bump tested/ Calibrate Gas Detector, monitored gas detection & alarm system, smoke, heat, gas, fire
- Designed LOTO (Log Out Tag Out) for process isolation refer to PID and actual.

### Holland America Cruise Ship - Seattle - USA

Fire Fighter, Engine Store Keeper & Maintenance (Oct 2007 - Aug 2009)

**EDUCATION**

---

**SAHID JAKARTA UNIVERSITY (2021 - 2025)**

- Master Degree OSH (Occupational Health, Safety and Environment).

**POLITEKNIK PELAYARAN BANTEN (2015 - 2017)**

- Marine Engineering International Standard Class-III (ATT-3).

**STP JAKARTA (2003 - 2007)**

- Bachelor Degree - Mechanical Engineering.

**HARD SKILLS**

---

- Technical operation system both offshore & onshore upstream activities.
- PID (Process & Instrumentation Diagram), PFD & Isometric drawing.
- Process Safety (PHA, Hazops, Hazid, MHA, Bowtie, LOTO – Isolation Energy).
- Occupational Safety (HIRADC, HIRARC, JSA, PTW)
- Fire Protection System, Emergency Response Preparedness.
- Incident investigation.
- Behavior Base Safety (Unsafe Act & Unsafe Condition Observation Card).
- Training, Coaching & Public Speaking.
- Microsoft Office (email outlook, word, excel, and power point) & canva.

**SOFT SKILLS**

---

- Communication and listening.
- Analytical, Problem solving & Conflict management
- Teamwork & able to work independently
- Motivation and Adaptability
- Presentation.

**TRAINING**

---

**QHSSE**

- Facilitator One SIKA SHU, Pertamina, 2024
- Safety Risk Management, SSTC, 2024
- NEBOSH IGC, SSTC, Singapore 2024
- Auditor SMK3, BNSP, Jakarta 2024
- Certified Safety Manager by World Safety Organization, Jakarta 2024
- Working at Height, Electrical Safety & Accident Reporting, SG Academy, Batam 2023
- Accident Investigator, Heccons Learning & Consulting, 2023
- IOSH Managing Safely, SG Academy, Batam 2023
- AKHLAK Pertamina, BBS and CLSR (Corporate Life Saving Rules), Jakarta 2023
- CSMS & BBS Training, NHN, Tangerang 2023
- K3 Migas Level Pengawas, BNSP, Jakarta 2022
- K3 Umum, BNSP, Yogyakarta 2021
- K3 Authorize Gas Tester, BNSP, Jakarta 2021
- ISO 9001:2015, 14001:2015, 45001:2018 Awareness, Gadjah Mada, Yogyakarta 2021
- Pertamina SIKA (Sistim Ijin Kerja Aman) Area Authority L-2, PHE ONWJ, Jakarta 2021
- K3 Bidang Pesawat Angkat dan Angkut – Rigger, Kemenaker, Jakarta 2014
- PSIM (Process Safety & Integrity Management), PHE ONWJ, Jakarta 2014
- K3 Bidang Kimia - Petugas K3 Kimia, Kemenaker, Jakarta 2013
- OHSAS 18001: 2007 Awareness Training, Internal Audit Training, RUI, Jakarta 2013
- K3 Petugas P3K, Kemenaker, Jakarta 2012
- H2S Safety Awareness L-2, Ronel, Jakarta 2012
- Sea Survival Course, JOTC, Jakarta 2012
- AFF - Advance Fire Fighting, Pertamina HSETC, Palembang 2012
- ISO-14001:2004 Environmental Awareness, Practical, Hazardous Waste Man, Sprint, Jakarta 2010
- SSOW (Safe System of Work) Performing Authority, PHE ONWJ, Jakarta 2010
- Gas Testing Level 1, PHE ONWJ, Jakarta 2010
- Oil Spill Training OPRC IMO Level -1 First Responder, Jakarta 2009
- Fire Party Extinguishment Practices Class, Public Safety USA, Alaska 2009
- BFF (Basic Fire Fighting), JOTC, Jakarta 2009
- Environmental Compliance Program, Holland America Line, Jakarta 2007
- ISO 14001 EMS, Holland America Line, Jakarta 2007

## **MARINE**

- Marine Engineer Class-III, Kemenhub, Jakarta 2017
- Survival Craft and Rescue Boats (SCRB), Kemenhub, Jakarta 2015
- Advanced Fire Fighting (AFF), Kemenhub, Jakarta 2015
- Medical First Aid (MFA), Kemenhub, Jakarta 2015
- Ship Security Officer (SSO), Kemenhub, Jakarta 2015
- Basic Safety Training (BST), Kemenhub, Jakarta 2014

## **TECHNICAL**

- Variable Speed Drive Operate, Schlumberger, Cikarang 2019
- Production Chemical Workshop, PT. TMG, Tangerang, 2017
- Basic ESP and VSD Training, Schlumberger, Jakarta, 2012
- Instrumentation Process Control oil & gas, PT. Wish, Bandung 2011
- Basic Production Oil & gas Training API 14-C, PT. SHE, Jakarta 2009

## **ACHIEVEMENT**

---

**The Multitasking Employee**, at Papa Flow Station, PHE ONWJ (Pertamina Hulu Energy Offshore North West Java) during Pandemic Covid-19 performed as Radio Operator, Permit to Work Coordinator, Medic Team Leader and Control Room Process Operator (2021)

**The Best Employee of the Month Award**, at ms. Amsterdam Cruise Ship, for more than 14,000 men and women working at Holland America Line due to outstanding services to passengers and congeniality with fellow staff members both ability and attitude (2009).

Yours Faithfully  
Imam Fahrerozi
